## WELCOME TO REDHILL ACADEMY TRUST

We are a thriving and ambitious community of schools providing a broad spectrum of education for children and young people across Nottinghamshire and North Derbyshire.

Our origins lie with The Redhill Academy, an outstanding secondary school in Arnold. We now encompass 21 academies, providing excellent education for over 13,500 children in nursery, infant, junior, secondary and post-16 settings.

We truly serve our communities, being governed by local parents whose own children have attended or currently attend our successful academies. We will not accept anything but the best for our own children and believe that all local children deserve an equally outstanding education.

If your child is at primary school, I would urge you to consider one of our academies as your first choice when they move up to secondary school.

Chair of Redhill Academy Trust
