

The Redhill Academy Trust supports its academies by offering a wide range of diagnostic reviews carried out by identified senior experienced member of staff to facilitate continuing school improvement. Any review results in a clear action plan and, where appropriate and as capacity allows, Trust support is offered to ensure actions to happen as effectively as possible.

The Redhill Academy Trust welcomes enquiries from other Trusts / schools outside The Redhill Academy Trust should you feel the services detailed below could support you in your drive for continuing school improvement. The services can be tailored to best suit your individual needs.
